Net Weight 4 LBS. (1.8 KG)

DIRECTIONS FOR USE

We think you will find the following information easy to follow when feeding your Trees and Shrubs. We recommend this package of **ferti·lome® TREE AND SHRUB FOOD** because our years of experience have proven it to be very effective.

1. WHAT IS THIS PACKAGE FOR?

This package of **ferti·lome® TREE AND SHRUB FOOD** is a formulated Plant Food, which helps feed the millions of feeder roots of Trees and Shrubs. Use this product to feed all types of Trees and Shrubs.

ferti·lome® TREE AND SHRUB FOOD is made for all types of Trees and Shrubs, including Shade Trees, Fruit Trees, Nut Trees, Evergreens, Oaks, Citrus Trees, Tropical Trees and Flowering Trees.

2. HOW DO YOU USE IT?

It is not necessary to dig holes when using **ferti·lome® TREE AND SHRUB FOOD** as directed. Apply fertilizer uniformly to ground under the tree or shrub branches. Avoid contact with trunk.

NOTE: Not recommended for Container Grown Plants.
IMPORTANT: WATER THE AREA THOROUGHLY AFTER APPLICATION.
Feed your Trees twice a year, using the quantities listed below:

TREE SIZE	AMOUNT TO USE	TREE SIZE	AMOUNT TO USE
1/2 Inch Diameter	1/4 Pound	4 Inch Diameter	2 Pounds
1 Inch Diameter	1/2 Pound	5 Inch Diameter	2 1/2 Pounds
2 Inch Diameter	3/4 Pound	6 Inch Diameter	3 Pounds
3 Inch Diameter	1 1/2 Pounds	7 Inch Diameter And Over	1 Pound Per Additional Inch Of Diameter

Feed Shrubs twice a year by applying 1/2 cup per square yard of soil area, which is from the base of the Shrub to 2 feet beyond the widest spread of branches.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

Our experience has proven that **ferti·lome® TREE AND SHRUB FOOD**, used according to directions, will help to give you the prettiest Trees and Shrubs in the neighborhood. Most Palms require fertile soil. For best results, fertilize lightly in early Spring and once in early Summer. Heavy feeding will promote late growth which could result in Winter damage.

WARNING: This product contains Iron. Iron has been known to stain sidewalks and driveways. Use caution when using this product around all driveways and sidewalks.
