# 10784 & 10785 Gardener's Special 11-15-11

An excellent all-purpose plant food that contains both fast and slow release Nitrogen. Contains necessary trace elements to aid in development of plant and crop yield. These elements need to be replenished since they are quickly depleted by the high use and demand on the soil by vegetable plants.

UPC Number 7-32221-10784-7  
4 lbs 35 cases per pallet

UPC Number 7-32221-10785-4  
15 lbs 100 cases per pallet
