Product Questions? 855-270-4776

1. WHAT IS THIS PACKAGE FOR?

This package of **ferti•lome® PRUNING SEALER** is for people who want a fast, easy-to-use protective sealer for pruning cuts, grafts, or damaged trees and woody shrubs.

2. HOW DO YOU USE IT?

Shake well before using. Remove protective cap. Spray ends of pruned branches or limbs thoroughly. If limbs or trunks of trees or shrubs are injured by mechanical devices, hail or birds, spray the open wound thoroughly at first sign of injury.

IMPORTANT NOTICE: To prevent clogging of spray nozzle during storage, can should be inverted and sprayed a few seconds after use.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

ferti•lome® PRUNING SEALER, properly applied, aids the healing of pruning cuts and mechanical device caused wounds. It helps to retard excessive sap flow.

DANGER: Extremely flammable.

Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. **KEEP OUT OF REACH OF CHILDREN.**

CAUTION: Do not spray fences, buildings, sidewalks, etc. to prevent staining. Do not use or store near heat or open flame. Do not apply to humans, pets or birds.

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.
