10864 & 10865 Tree and Shrub Food 19-8-10

A scientifically formulated tree food that contains penetrating action, which moves the food directly to the feeder roots when applied around the tree or shrub drip line, eliminating the need to dig holes.

Great for all types of trees and shrubs including shade trees, nut trees, Evergreens, citrus, tropical and flowering trees.

Feed trees and shrubs twice a year.

UPC Number 7-32221-10864-6
