

# Hi-Yield®

**31051**

UPC Number 7 32221 31051 3  
12/16 oz • 80 cases per pallet

## Super Marking Dye

- A highly visible, blue colorant.
- Temporarily marks where you have sprayed, saving chemical, time and money.
- Reduces over-application.
- Use with insecticides, fungicides, herbicides and fertilizers.
- Mix 1 oz. per gallon of mixed solution.
- More or less may be added depending on environmental conditions and color desired.

Always Read and Follow Label Directions
