

**VOLUNTARY PURCHASING GROUPS, INC.**

## Safety Data Sheet Ferti-lome Come and Get It Spinosad Plus

---

### SECTION 1: Identification

#### GHS Product identifier

Product name	Ferti-lome Come and Get It Spinosad Plus
Product number	16025
Brand	Ferti-lome

#### Other means of identification

EPA Reg. No. 67702-24-7401

#### Recommended use of the chemical and restrictions on use

Residential use insecticide.

#### Supplier's details

Name	Voluntary Purchasing Groups, Inc.
Address	230 FM 87 Bonham TX 75418 USA

Telephone	855-270-4776
-----------	--------------

#### Emergency phone number

In the event of a medical or chemical emergency contact ChemTel, Inc.  
North American 1-800-255-3924 or worldwide Intl. + 01-813-248-0585

---

### SECTION 2: Hazard identification

#### General hazard statement

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

#### Classification of the substance or mixture

GHS classification in accordance with: OSHA (29 CFR 1910.1200, 2012)

#### GHS label elements, including precautionary statements

#### Pictograms

#### Hazard statement(s)

H320	Causes eye irritation
H303	May be harmful if swallowed

# Safety Data Sheet

## Ferti-lome Come and Get It Spinosad Plus

H313 May be harmful in contact with skin  
H333 May be harmful if inhaled

### Precautionary statement(s)

P102 Keep out of reach of children.  
P103 Read label before use.

---

## SECTION 3: Composition/information on ingredients

### Mixtures

#### Hazardous components

Component	Concentration
<b>Iron (III) phosphate dihydrate (CAS no.: 13463-10-0)</b>	<b>0.97 %</b>
CLASSIFICATIONS: No data available. HAZARDS: No data available.	
<b>Spinosad (CAS no.: 131929-60-7)</b>	<b>0.07 %</b>
CLASSIFICATIONS: No data available. HAZARDS: No data available.	

---

## SECTION 4: First-aid measures

### Description of necessary first-aid measures

General advice	Call a poison control center or doctor for treatment advice. Have the Safety Data Sheet, and if available, the product container or label with you when calling a poison control center or doctor, or going for treatment. Never give fluids or induce vomiting if a patient is unconscious or convulsing regardless of cause of injury. If breathing difficulties occur, seek medical attention immediately.
If inhaled	Move person to fresh air. If person is not breathing, give artificial respiration, preferably mouth-to-mouth. If breathing is difficult, give oxygen. Call a poison control center or doctor for treatment advice.
In case of skin contact	Wash skin with soap and plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.
In case of eye contact	Hold eyes open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
If swallowed	Do not induce vomiting. Never give anything by mouth to an unconscious person. Call a poison control center or doctor for treatment advice.
Personal protective equipment for first-aid responders	Respiratory Protection: NIOSH/MSHA approved for protection against toxic dusts containing quartz. Ventilation: General or local exhaust to maintain employee exposure below the TLV/PEL. Protective Gloves: PVC or

# Safety Data Sheet

## Ferti-lome Come and Get It Spinosad Plus

Neoprene. Eye Protection: Safety glasses or goggles (ANSI Z87.1 1979)

Other Protective Clothing or Equipment: Apron, boots, long sleeved shirt and full-length pants may be worn when necessary to prevent skin contact.

Eye wash and shower facilities should be available.

### Most important symptoms/effects, acute and delayed

Not expected to present a significant hazard under anticipated conditions of normal use.

### Indication of immediate medical attention and special treatment needed, if necessary

No information available.

---

## SECTION 5: Fire-fighting measures

### Suitable extinguishing media

Water, foam or CO2

### Specific hazards arising from the chemical

Under fire conditions some components of this product may decompose. The smoke may contain unidentified toxic and/or irritating compounds. Combustion products may include and are not limited to: Carbon monoxide. Carbon dioxide.

### Special protective actions for fire-fighters

Keep people away. Isolate fire and deny unnecessary entry. To extinguish combustible residues of this product use water fog, carbon dioxide, dry chemical or foam. Contain fire water run-off if possible. Fire water run-off, if not contained, may cause environmental damage. Wear positive-pressure self-contained breathing apparatus (SCBA) and

protective fire fighting clothing (includes fire fighting helmet, coat, trousers, boots, and gloves). If protective equipment

is not available or not used, fight fire from a protected location or safe distance.

---

## SECTION 6: Accidental release measures

### Personal precautions, protective equipment and emergency procedures

Respiratory Protection: NIOSH/MSHA approved for protection against toxic dusts containing quartz. Ventilation: General or local exhaust to maintain employee exposure below the TLV/PEL. Protective Gloves: PVC or Neoprene. Eye Protection: Safety glasses or goggles (ANSI Z87.1 1979) Other Protective Clothing or Equipment: Apron, boots, long sleeved shirt and full-length pants may be worn when necessary to prevent skin contact.

### Environmental precautions

Prevent from entering into soil, ditches, sewers, waterways and/or groundwater.

### Methods and materials for containment and cleaning up

Sweep up spill and place in appropriate container. Keep Dry. Dispose in accordance with local, state, and federal regulations.

---

## SECTION 7: Handling and storage

### Precautions for safe handling

Keep out of reach of children. Avoid contact with eyes, skin, and clothing. Avoid breathing vapor or mist. Do not swallow. Wash thoroughly after handling. Use with adequate ventilation.

### Conditions for safe storage, including any incompatibilities

Store in a dry place. Store in original container. Keep container tightly closed when not in use. Do not store near food,

# Safety Data Sheet

## Ferti-lome Come and Get It Spinosad Plus

foodstuffs, drugs or potable water supplies.

---

### SECTION 8: Exposure controls/personal protection

#### Appropriate engineering controls

Ventilation: General or local exhaust to maintain employee exposure below the TLV/PEL.

#### Individual protection measures, such as personal protective equipment (PPE)

##### Eye/face protection

Safety glasses or goggles (ANSI Z87.1 1979)

##### Skin protection

PVC or Neoprene gloves

##### Body protection

Apron, boots, long sleeved shirt and full-length pants may be worn when necessary to prevent skin contact. Eye wash and shower facilities should be available.

##### Respiratory protection

NIOSH/MSHA approved for protection against toxic dusts.

---

### SECTION 9: Physical and chemical properties

Appearance (physical state, color, etc.)	Light brown granules
Odor	Odorless
Odor threshold	No information available
pH	No information available
Melting point/freezing point	No information available
Initial boiling point and boiling range	No information available
Flash point	No information available
Evaporation rate	No information available
Flammability (solid, gas)	Product is not flammable
Upper/lower flammability or explosive limits	No information available
Vapor pressure	No information available
Vapor density	No information available
Relative density	@20°C (68°F) ±0.07 g/mL
Solubility(ies)	Insoluble
Partition coefficient: n-octanol/water	No information available
Auto-ignition temperature	No information available
Decomposition temperature	No information available
Viscosity	No information available
<b>Additional properties</b>	
Physical state	Solid
Color	Light brown
Explosive properties	Product does not present an explosion hazard

---

### SECTION 10: Stability and reactivity

#### Reactivity

No dangerous reaction known under conditions of normal use.

#### Chemical stability

Stable under normal temperatures and pressures.

# Safety Data Sheet

## Ferti-lome Come and Get It Spinosad Plus

### Possibility of hazardous reactions

No dangerous reactions known.

### Conditions to avoid

Exposure to excessive heat.

### Incompatible materials

None identified.

### Hazardous decomposition products

Carbon monoxide, carbon dioxide, oxides of nitrogen.

---

## SECTION 11: Toxicological information

### Information on toxicological effects

#### Acute toxicity

LD50 (oral) (rat) > 5000 mg/kg

LD50 (dermal) > 5000 mg/kg

#### Skin corrosion/irritation

May cause skin irritation

#### Serious eye damage/irritation

May be irritating to eyes

#### Respiratory or skin sensitization

None identified.

#### Germ cell mutagenicity

No information available.

#### Carcinogenicity

No information available.

#### Reproductive toxicity

No information available.

#### Specific target organ toxicity (STOT) - single exposure

May aggravate pre-existing skin conditions

#### Specific target organ toxicity (STOT) - repeated exposure

No information available.

#### Aspiration hazard

No information available.

---

## SECTION 12: Ecological information

### Toxicity

No information available.

---

## SECTION 13: Disposal considerations

### Disposal methods

# Safety Data Sheet

## Ferti-lome Come and Get It Spinosad Plus

### Product disposal

If wastes and/or containers cannot be disposed of according to the product label directions, disposal of this material must be in accordance with your local or area regulatory authorities. This information presented below only applies to the material as supplied. The identification based on characteristic(s) or listing may not apply if the material has been used or otherwise contaminated. It is the responsibility of the waste generator to determine the toxicity and physical properties of the material generated to determine the proper waste identification and disposal methods in compliance with applicable regulations. If the material as supplied becomes a waste, follow all applicable regional, national and local laws.

---

## SECTION 14: Transport information

### DOT (US)

Not dangerous goods

### IMDG

Not dangerous goods

### IATA

Not dangerous goods

---

## SECTION 15: Regulatory information

### HMIS Rating

Ferti-lome Come and Get It Spinosad Plus	
<b>HEALTH</b>	1
<b>FLAMMABILITY</b>	
<b>PHYSICAL HAZARD</b>	
<b>PERSONAL PROTECTION</b>	

### NFPA Rating
