

**VOLUNTARY PURCHASING GROUPS, INC.**

## **Safety Data Sheet**

### **Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray**

---

#### **SECTION 1: Identification**

##### **GHS Product identifier**

Product name	Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray
Product number	34696
Brand	Hi-Yield

##### **Other means of identification**

EPA Reg. No. 53883-197-7401

##### **Recommended use of the chemical and restrictions on use**

Residential use insecticide

##### **Supplier's details**

Name	Voluntary Purchasing Groups, Inc.
Address	230 FM 87 Bonham TX 75418 USA

Telephone	855-270-4776
-----------	--------------

##### **Emergency phone number**

In the event of a medical or chemical emergency contact ChemTel, Inc.  
North American 1-800-255-3924 or worldwide Intl. + 01-813-248-0585

---

#### **SECTION 2: Hazard identification**

##### **Classification of the substance or mixture**

##### **GHS classification in accordance with: OSHA (29 CFR 1910.1200)**

- Acute toxicity, oral, Cat. 4
- Acute toxicity, inhalation, Cat. 4

##### **GHS label elements, including precautionary statements**

##### **Pictograms**

##### **Signal word**

**Warning**

##### **Hazard statement(s)**

## Safety Data Sheet

### Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray

H302 Harmful if swallowed  
H332 Harmful if inhaled

#### Precautionary statement(s)

P264 Wash hands thoroughly after handling.  
P270 Do not eat, drink or smoke when using this product.  
P301+P312 IF SWALLOWED: Call a POISON CENTER /doctor if you feel unwell.  
P330 Rinse mouth.  
P501 Dispose of contents/container to in accordance with Federal, State and local regulations.  
P261 Avoid breathing dust/fume/gas/mist/vapors/spray.  
P271 Use only outdoors or in a well-ventilated area.  
P304+P340 IF INHALED: Remove person to fresh air and keep comfortable for breathing.  
P312 Call a POISON CENTER/doctor if you feel unwell.  
P102 Keep out of reach of children.  
P103 Read label before use.

## SECTION 3: Composition/information on ingredients

### Mixtures

#### Hazardous components

Component	Concentration
Lambda-cyhalothrin (iso) (CAS no.: 91465-08-6; EC no.: 415-130-7; Index no.: 607-252-00-6)	0.5 %
CLASSIFICATIONS: Acute toxicity, Cat. 2; Acute toxicity, Cat. 3; Acute toxicity, Cat. 4; Hazardous to the aquatic environment, short-term (acute), Cat. 1; Hazardous to the aquatic environment, long-term (chronic), Cat. 1. HAZARDS: H301 - Toxic if swallowed; H312 - Harmful in contact with skin; H330 - Fatal if inhaled; H400 - Very toxic to aquatic life; H410 - Very toxic to aquatic life with long lasting effects.	

## SECTION 4: First-aid measures

### Description of necessary first-aid measures

General advice Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

In case of eye contact

- Hold eye open and rinse slowly and gently with water 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continuing rinsing eye.
- Call a poison control center or doctor for treatment advice.

If swallowed

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

## SECTION 5: Fire-fighting measures

### Specific hazards arising from the chemical

Pesticide fires have potential to produce irritating or toxic gases.

### Special protective actions for fire-fighters

Wear full protective clothing and self-contained breathing apparatus. Evacuate nonessential personnel from the area to prevent human exposure to fire, smoke, fumes or products of combustion. Prevent use of contaminated buildings, area and equipment until decontaminated. Water runoff can cause environmental damage.

# Safety Data Sheet

## Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray

---

### SECTION 6: Accidental release measures

#### Personal precautions, protective equipment and emergency procedures

Clean up spills immediately. Isolate hazard area. Keep unnecessary and unprotected personnel from entering.

#### Methods and materials for containment and cleaning up

In case of spillage or leakages, soak up with an absorbent material such as sand, sawdust, earth, Fuller's earth, etc. Dispose of with chemical waste.

---

### SECTION 7: Handling and storage

#### Precautions for safe handling

Do not contaminate water, food, or feed by storage or disposal or cleaning of equipment. Carefully open containers and after partial use close container tightly. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

#### Conditions for safe storage, including any incompatibilities

Store in cool, dry area away from children and domestic animals.

---

### SECTION 8: Exposure controls/personal protection

#### Appropriate engineering controls

Whenever possible, adequate ventilation should be used to minimize the need for personal protective equipment.

#### Individual protection measures, such as personal protective equipment (PPE)

##### Eye/face protection

Wear goggles or face shield

##### Skin protection

Long-sleeve shirt, long pants, shoes plus socks

##### Body protection

Chemical-resistant gloves

##### Respiratory protection

For most conditions, no respiratory protection required. However, if handling without sufficient ventilation, use NIOSH approved air-purifying respirator with any N, P or R95 class filter and an organic vapor cartridge.

---

### SECTION 9: Physical and chemical properties

Appearance (physical state, color, etc.)	Translucent white liquid
Odor	Mild chemical
Odor threshold	No information available.
pH	5.5-6.0
Melting point/freezing point	No information available.
Initial boiling point and boiling range	No information available.
Flash point	No information available.
Evaporation rate	No information available.
Flammability (solid, gas)	No information available.
Upper/lower flammability or explosive limits	No information available.
Vapor pressure	No information available.
Vapor density	No information available.
Relative density	0.99-1.01g/ml

## Safety Data Sheet

### Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray

Solubility(ies)	Soluble in water
Partition coefficient: n-octanol/water	No information available.
Auto-ignition temperature	No information available.
Decomposition temperature	No information available.
Viscosity	0.89 cps@ 25C

#### Additional properties

Physical state	Liquid
Color	Translucent white

---

## SECTION 10: Stability and reactivity

### Reactivity

No dangerous reaction known under conditions of normal use.

### Chemical stability

Stable under normal conditions.

### Possibility of hazardous reactions

No dangerous reaction known under conditions of normal use.

### Conditions to avoid

Avoid excessive heat

### Incompatible materials

None known.

### Hazardous decomposition products

Product can decompose at high temperatures forming toxic gases

---

## SECTION 11: Toxicological information

### Information on toxicological effects

#### Acute toxicity

Acute Oral LD50 (Rat): > 1,750 mg/kg

Acute Dermal LD50 (Rabbit): > 5,000 mg/kg

Acute Inhalation LC50 (Rat): > 2.0 mg/L/4 hr

Eye Irritation: Slightly irritating

Skin Irritation: Slightly irritating

Dermal Sensitization: Not a skin sensitizer

#### Skin corrosion/irritation

May cause skin irritation. Symptoms may include redness, drying, defatting and cracking of the skin.

#### Serious eye damage/irritation

Causes eye irritation. Symptoms may include discomfort or pain, excess blinking and tear production, with possible redness and swelling.

#### Respiratory or skin sensitization

May cause respiratory tract irritation.

#### Germ cell mutagenicity

Based on available data, the classification criteria are not met.

#### Carcinogenicity

## Safety Data Sheet

### Hi-Yield Bug Blaster Lambda-Cyhalothrin 0.5% Ready to Spray

Lambda-cyhalothrin technical: No treatment-related tumors in rats or mice.

#### Reproductive toxicity

Lambda-cyhalothrin technical: Not a developmental or reproductive toxicant.

#### Specific target organ toxicity (STOT) - single exposure

In humans, contact with exposed skin may result in temporary itching, tingling, burning or numbness, called paresthesia. The effect may result from splash, aerosol, or hot vapor contact, or transfer to the face from contaminated gloves and hands. The symptoms normally disappear within 24 hours. Face and genital areas are especially susceptible to this effect. Paresthesia involving the face is also known as "subjective facial sensation" or SFS.

#### Specific target organ toxicity (STOT) - repeated exposure

Lambda-cyhalothrin technical: Liver, nervous system

---

## SECTION 12: Ecological information

#### Toxicity

This pesticide is extremely toxic to fish. Do not contaminate water when disposing of equipment washwaters. Do not apply directly to water. Drift and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas.

This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.

#### Persistence and degradability

Lambda-cyhalothrin technical: Not persistent in soil or water, Immobile in soil. Sinks in water after 24 hours

---

## SECTION 13: Disposal considerations

#### Disposal methods

##### Product disposal

Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.

##### Packaging disposal

Dispose of product containers, waste containers, and residues according to label instructions and local, state, and federal health and environmental regulations

---

## SECTION 14: Transport information

#### DOT (US)

Not dangerous goods

#### IMDG

Not dangerous goods

#### IATA

Not dangerous goods

---

## SECTION 15: Regulatory information

# Safety Data Sheet

## Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray

Safety, health and environmental regulations specific for the product in question

### Labeling requirements under FIFRA

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information for safety data sheet, and for workplace labels of nonpesticide chemicals. Following is the hazard information as required on the pesticide label.

### SARA 311/312 Hazards

Acute health hazard (immediate)  
Chronic health hazard (delayed)

### SARA 313 Components

Not applicable

### California Prop. 65 Components

Not applicable

### Toxic Substances Control Act (TSCA) Inventory

The ingredients of this product are listed on the TSCA inventory or are exempt

### HMIS Rating

Hi-Yield Bug Blaster Lamba-Cyhalothrin 0.5% Ready to Spray	
HEALTH	1
FLAMMABILITY	
PHYSICAL HAZARD	
PERSONAL PROTECTION	

### NFPA Rating
