1. WHAT IS THIS PACKAGE FOR?

This package of **ferti•lome® PRUNING PAINT** is for people who want a fast, easy to use protective seal for pruning cuts, grafts, or damaged trees and woody shrubs.

2. HOW DO YOU USE IT?

Use brush-in-can applicator and apply thin coat as follows:

ROSES and ORNAMENTALS: Treat all pruning cuts ½ inch in diameter or over.

FRUIT and SHADE TREES: Treat all pruning cuts ½ inch in diameter or over. Cut decayed and dead wood back to sound wood and treat.

WOUNDS and ABRASIONS: Trim as required and treat. **ferti•lome® PRUNING PAINT** gives a tough, elastic, rapid-drying coating over the cut area.

3. HERE ARE THE RESULTS YOU MAY EXPECT!

ferti•lome® PRUNING PAINT used according to directions will provide a protective coating against the entry of moisture. It prevents excessive sap flow.

CAUTIONS: Keep away from heat and open flame. Use only with adequate ventilation. If swallowed, DO NOT induce vomiting, keep person warm and quiet, get medical attention immediately. Avoid contact with eyes or prolonged contact with skin. In case of contact, flush eyes thoroughly with water, get medical attention. For skin, wash with soap and water.

NOTICE: VPG makes no warranty of any kind, expressed or implied, regarding the use of this product. Buyer assumes all risks of using or handling, whether in accordance with directions or not.
